

# Clever cat

Ursula Nafula  
English

In my village lives  
Mister Kiio.  
Mister Kiio has a cat  
with black and white  
spots called Safi.

When Mister Kiio goes to work, he leaves the door open.

Safi sits in the doorway  
to watch over Mister  
Kiio's house.

When the neighbour's dog comes close, Safi stares at him and shows her nails.

The dog runs away.

When a neighbour appears, Safi is ready to scratch.

The neighbour turns  
and runs away.

When Safi feels hungry, she pushes the door and then closes it with her paws.

She goes inside and  
eats her food.

When Safi finishes, she jumps onto the sofa and sleeps. All you hear is, "Purr! Purr! Purr!"

When Mister Kiio arrives, Safi stretches happily and welcomes him home.

Mister Kiio and Safi sit down next to the fireplace and each reads the newspaper.
