

## Soccer skills

Joseph Ejoyi  
English

Once upon a time there  
lived a boy called  
Joseph who liked  
football.

He could kick the ball  
using either of his two  
legs.

Joseph plays the ball  
using his head.

Sometimes he controls  
the ball using his chest.

One day he dribbled  
through the defenders  
using the outside of his  
foot.

If the ball comes from the air, he controls it very well using his thigh.

He also dribbles the ball very well using the inside of his foot.

He traps the ball using  
his instep.

One time he volleyed  
the ball using his  
instep.

But he could not score  
because the keeper  
caught the ball.

The keeper also punched the ball which was shot by Joseph.
