

No Naughty Fingers, No Weird Websites

Danica Strydom
English

Once there was a
butterfly named Fiffie.

She was clever at
working with
computers.

Fiffie saw a girl who was
upset and sad.

The girl saw a nasty
picture on a website.

Fiffie flew over to the girl's house.

She said to the girl,
“Never go on the
internet without a
grownup.”

The girl and Fiffie became friends.

Fiffie went to live with the girl.

When the girl grew up
she opened her own
computer shop.

Every week she had
lessons to teach
children how to work on
computers.

She taught the children never to go on websites without the permission of grownups.

Because of Fiffie, the woman never had naughty fingers again!
